

WHO ARE IMMERSE?

GEMMA FLANNERY, the founder leads an an engaging and creative team, with over 20 years experience, in leading planning and teaching drama with all ages, the company stems from her continuous creative passion in the arts. Writing, performing and directing and her joy in passing this down to working with young children

Introducing drama techniques develops children's social and emotional well being and their cognitive and communication skills.

We focus on 4 C's in our sessions, **Creativity**, Confidence, **Communication** and Collaboration. Exploring activities to develop these in every lesson.

The Immerse team are passionate about all aspects of drama and look forward to sharing this with you!

DRAMA INCURSIONS WEEKLY CLASSES

We develop a structured routine that the children become familiar with, including music, movement, stories and games, we work in groups, in partners and explore our audience/ performer roles.

PERFORMANCE WORKSHOPS FOR YOUR WHOLE CENTRE

Stories are explored in a workshop before assigning roles, and then it's costumes on and curtain up, Following a narrator, they take to the stage.

Let the little ones in to enjoy the show!
